## GRP LADDER PLATFORM for Emergency Tank Showers Optional Fittings

The GRP ladder platform is designed to be attached to a Hughes emergency tank shower to enable easy access to the tank for maintenance and inspection purposes.

The platform offers increased safety for workers and removes the need to hire costly scaffolding when the emergency tank shower requires inspection or servicing.

- Retrofittable to existing Hughes emergency tank showers
- Manufactured using hi-visibility yellow GRP for improved corrosion resistance
- Slip resistant steps and caged ladder area for added peace of mind
- Can be mounted at the left, right or rear of the emergency tank shower

## Specifications

### MATERIALS OF CONSTRUCTION

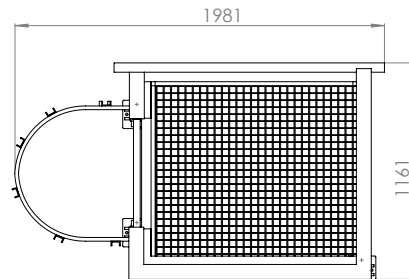

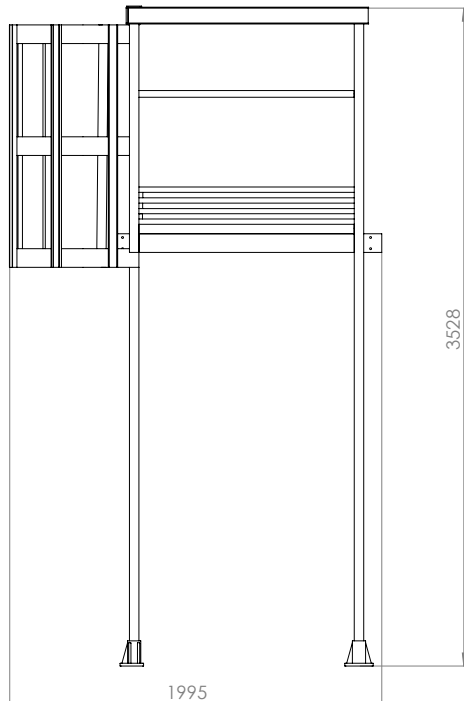

LADDER AND PLATFORM

GRP

### DIMENSIONS

DIMENSIONS - STANDARD ORIENTATION (WxDxH)

1161mm (45.7in) x 1995mm (78.5in) x 3528mm (138.9in)
