

Product Datasheet

GRP ANTI-SLIP RAMPS for Emergency Tank Showers & Cubicle Safety Showers Optional Fittings

Designed to be attached to a Hughes emergency tank shower or cubicle safety shower these GRP ramps prevent slips and trips on entering and enable easy access in the event of an emergency.

Hi-visibility yellow, heavy-duty GRP construction for improved strength and corrosion resistance, water resistance and UV stability. Anti-slip resistant resin surface for added peace of mind.

- Easily retrofittable to existing Hughes emergency tank showers and cubicle safety showers to give improved access
- Hi-visibility yellow, heavy-duty GRP construction for improved strength and corrosion resistance, water resistance and UV stability.
- Anti-slip resistant resin surface for added peace of mind

GRP Anti-Slip Resin Surface
