## Mobile self-contained heated safety shower with eye wash - 1200L

STD-MH-P-1200L

It is essential to provide emergency safety showers for use by employees at risk of exposure to hazardous substances, whatever the location. This immersion heated 1200 litre mobile safety shower with closed bowl eye/face wash unit allows flexibility of location, being easily transported behind a suitable vehicle using the towing hitch provided.

Designed to meet EN and ANSI standards, it is capable of delivering a continuous flow of tepid water for over 15 minutes at a rate of 76 litres per minute. The optional insulated jacket is advised for use during colder months to prevent freezing and maintain the water temperature within the tepid range.
