

## Pedestal mounted retractable hose reel

The high performance spring rewind, pedestal mounted hose reels are ideal for washing down the area around a safety shower after decontamination, for clearing away chemical spillages or simply to aid in cleaning.

- Optional heated and insulated jacket offers frost protection for the colder months
- Heavy duty water gun with easy to use trigger operation
- Corrosion resistant stainless steel pedestal
- Fitted with 3/4 inch isolation valve at inlet

Shown next to tank shower with optional heated and insulated jacket

### Specifications
