## Hose Reel Cabinets

The 15m and 20/30m heated hose reel cabinets are suitable for use to washdown the area by a safety shower following decontamination, for chemical spillages or simply to keep an area clean.

- Optional heating offering frost protection for the colder months
- Cabinet ensures hose reel and water spray gun are kept clean and protected against the elements
- Heavy duty water gun with easy to use trigger operation
- Corrosion resistant stainless steel pedestal
- Fitted with 1 inch isolation valve at inlet
