

Product Datasheet

Heated 15M or 20M hose reel cabinet

STD-HR-15M/P/C
STD-HR-20M/P/C

The 15m or 20m heated hose reel cabinet is suitable for use to washdown the area by a safety shower following decontamination, for chemical spillages or simply to keep an area clean.

- Heating offers frost protection for the colder months
- Cabinet ensures hose reel and water spray gun are kept clean and protected against the elements
- Heavy duty water gun with easy to use trigger operation
- Corrosion resistant stainless steel pedestal

Specifications

MATERIALS OF CONSTRUCTION
