## Removable insulated or heated and insulated cover for the 16GFEW self-contained eye wash

Insulated or heated and insulated covers for use with the 16GFEW self-contained eye wash when located outdoors during the colder seasons to offer frost protection.

Ideal where a continuous supply of water is unavailable, the gravity fed 16 gallon wall-mounted or table top portable eye wash station delivers a controlled flow of a minimum 0.4 US gallons per minute of potable water for 15 minutes, meeting ANSI Z358.1-2014 requirements

- Constructed from heavyweight PVC cloth
- Double stitched to provide extended durability
- Simple to fit via the velcro fastenings and bottom draw cord
- Choice of insulated cover or heated and insulated cover
